

Meet Surface Laptop Go 2

Sleek and light for work anywhere

Our lightweight, stylish new laptop is designed for success in the evolving hybrid world. From wherever you work, Surface Laptop Go 2 brings portability, quality you can see and touch, and Studio Mics and HD camera to help you show up great. From getting it all done to keeping it all secured, Surface Laptop Go 2 takes your job as seriously as you do.

Take on your everyday tasks

Whether capturing customer orders or delivering persuasive presentations, Surface Laptop Go 2 provides performance, full-size keyboard and long battery life* to stay productive while running everyday Microsoft 365 apps.

Design that works for you

So light you can take it everywhere, sleek Surface Laptop Go 2 is designed to help you get work done with a 12.4" PixelSense™ touchscreen¹ optimized for Windows 11 touch experiences.

Deploy, manage, and stay secure from anywhere

Give IT peace of mind knowing that company and customer data are safe and secure on a Secured-core PC—the most secure Windows 11 devices. Surface Laptop Go 2 enables One Touch sign-in and data security with a removable hard drive.²

Flexibility for everywhere you work

Connect the right people, information, and systems wherever they are. Together with Windows 11 and Microsoft 365,³ Surface Laptop Go 2 offers cloud-enabled experiences and more ways to collaborate for essential flexibility wherever the day takes you.

Surface Laptop Go 2: What's new

Disclaimers

* Surface Laptop Go 2 display has rounded corners within a standard rectangle. When measured as a standard rectangular shape, the screen is 12.45" diagonally (actual viewable area is less).

¹ Requires license or subscription to activate and use.

² Activation required. If your device is managed by your organization's IT department, contact your IT administrator for activation. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See <https://aka.ms/m365businessinfo>.

³ System software and updates use significant storage space. Available storage is subject to change based on system software and updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See Surface Storage for more details.

⁴ This device does not contain user serviceable parts. Hard drive is only removable by an authorized technician following Microsoft provided instructions.

⁵ Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft's [Service Guide](#). Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft's Hardware Warranty or protection plans.

⁶ Field Replaceable Units (FRUs) are components replaceable by Microsoft or a Microsoft Authorized Service Provider.

⁷ Battery life varies significantly based on usage, network and feature configuration, signal strength, settings and other factors. See <http://aka.ms/SurfaceBatteryPerformance> for details.

⁸ Available colors may vary by market.

⁹ Microsoft's Limited Warranty is in addition to your consumer law rights.
